

## DISCUSSION GUIDE

### For reflection

1. What is the mission of the Church?
2. What is the relationship between the message of love (the gospel message) and the works of love (our various good works)?
3. Because doing good works brings earthly praise, what is the possible temptation for us here as Christians?
4. To what extent is your church or youth group currently serving its mission?
5. How seriously should our efforts in service of our mission be taken, and why?
