2. Where'd you get that idea from?

## DISCUSSION GUIDE

### For reflection

1. Do you have a curriculum (a list of things you will teach and disciple) yet?
2. How did you come to define what was or was not in it?
3. How long does it take to cover, and why? (annually, every two years...?)
4. How do you keep content fresh once you are beginning your way through it again?
5. What do you think of the '3 key areas of discipleship' suggested? Could this be useful for bringing focus to what you disciple?
6. Does the seven-point outreach curriculum look achievable?

**What is your action point?**
